Dear delegates,

The 11th ATLAS Africa will take place in less than a week in Kampala, Uganda. We will be delighted to welcome you all there. With this e-mail we do send you some essential information.

Provisional conference program
Please find attached the newest version of the PROVISIONAL conference program. You can also find the provisional conference program at the ATLAS Africa conference website at: http://www.atlas-euro.org/Default.aspx?TabID=309
PLEASE NOTE that the program is PROVISIONAL. Changes can still occur.

Abstract book
We decided NOT to print the books. We noticed that at the ATLAS meetings many delegates bring a tablet or a laptop and are using these during the sessions. Having a digital format of the abstract books is hopefully a useful contribution. If you would like to have the books in paper format, we would like to ask you to print it yourselves. With not printing the book we also would like to contribute to the environment.

Pre-registration meeting with welcome high tea
On Tuesday June 11th at 16.30 we would like to invite you for high tea at the Makerere University Guest house. Makerere University Guest house is located on Makerere University main campus. The guest house is near the University main gate and right opposite the College of Computing and Information Sciences (CoCIS), Makerere University. Looking forward welcoming you there for an early registration too.

Conference venue
The conference will take place at Makerere University Main Building, Main Hall. The Makerere University Main Building is a unique 20th century British architecture building. It stands today as the symbol of Makerere University. The main Campus is about 5 km to the North of Kampala City Centre. Makerere University main hall is located on University Road.
