

**ATLAS Annual Conference 2019**  
**ATLAS PhD Seminar**  
**Tourism Transformations**  
**Girona, Spain**  
**17-20 September, 2019**

Dear delegates of the above mentioned conference and seminar,

Only one week left before the kick-off of the *Tourism Transformations* conference at the University of Girona.

On **Tuesday** we will welcome the students of the *PhD seminar* at 9.00 at the faculty of Tourism in Sala de Juntes.

At 15.00 we will welcome the ATLAS Board.

The *welcome reception* will take place Tuesday evening at 18.00. All delegates are welcome for an early registration, drinks and light snacks.

The conference dinner will take place on **Wednesday**. In previous versions of the program we mentioned Thursday by mistake, sorry for the confusion! The dinner takes place at **Hotel Carlemany**, which is one of the recommended hotels in the centre of Girona. Dinner starts at 20.30. The dinner is included in the full fee. Delegates who paid the students fee had the opportunity to tick the dinner as an extra option.

Login details for **internet access** on campus will be available at the conference desk.

You can find a new version of the **provisional conference program** at the ATLAS conference website at <http://www.atlas-euro.org/Default.aspx?TabID=313>. Please be aware that you will receive the final version of the program in Girona upon registration.

In the program we also included the **workshop chairs**. If you volunteered for this task, please check which session you are supposed to chair.

For those who will be **presenting a paper**, in all rooms Power Point facilities (computers and projectors) are available. Please bring your presentation on a USB stick.

The **abstract book** and **the book of extended abstracts** can be found in PDF on the conference website at <http://www.atlas-euro.org/Default.aspx?TabID=313>.

We trust that you can download these in good order. We will **NOT** print these books. We have noticed that at ATLAS meetings many delegates bring a tablet or laptop and are using these during the sessions. Having a digital format of the abstract book is hopefully a useful contribution. If you would like to have the books in paper format, we would like to ask you to print it yourselves. With not printing the book we also would like to contribute to the environment.

Upon registration you will be asked to sign a form that you agree that photos and videos will be taken, as is required according to the new EU's General Data Protection Regulation (**GDPR**). The photos and videos will be stored by ATLAS and/or might be published to disseminate information about our activities.

We hope you will have a save journey.  
We look forward to welcoming you in Girona!

Best wishes,
